

SFIA has secured two code evaluation reports that can be used to assist with code approvals.

### [Code Compliance Research Report CCRR-0224](#)

Published by Intertek, Code Compliance Research Reports (CCRRs) demonstrate to building officials that your standard products meets the relevant codes. (CCRRs) can provide building officials with the information they need to approve the use of your building construction.

### [ICC-ESR 4205 Report](#)

Published by the ICC Evaluation Service, Evaluation reports from ICC Evaluation Service® are the most preferred resource used by code officials to verify that new and innovative building products comply with code requirements. The evaluation reports provide information about what code requirements or acceptance criteria were used to evaluate the product, how the product should be installed to meet the requirements, how to identify the product, and much more.
